### Advantages / Benefits of Cordless

- **All of the power of a corded upright without the cord**
  - No loss of power.
- **Saves Time**
  - Take it out, turn it on and GO!
- **Convenient / Easy to Use**
  - No cord to move around or out of your way
  - No longer running over the cord
  - No longer have to find an outlet
  - No longer have to unplug another appliance
  - No longer have to wrap a cord
- **Cleans in areas most corded vacuums will not reach**
  - Cleaner Home
  - No Boundaries
- **Economical**
  - No longer have to replace an expensive cord
- **Safety**
  - No cord for pets to chew on
  - No longer have to risk an electrical shock from a frayed cord.
  - No tripping or getting tangled in/ over the cord
